DARIN M. LEVESQUE

SUMMARY A military veteran with ten years of Marine Corps aviation service. Currently coordinating CH-53K Integrated Test Team Operations Department scheduling and planning activities. Providing leadership with weekly standard NAVAIR metrics to support tracking of program schedules. Holds an active secret clearance, and is Defense Acquisition University Level II certified in Program Management.

EXPERIENCE TEST RESOURCE MANAGER

September 2015 - Present

NAVAIR 5.1.1D, 21593 Three Notch Road Lexington
Park, MD 20653

Plan, coordinate, monitor and report test execution data to executive leadership to enable data driven decisions with quantifiable metrics. Integrated government and contractor dissimilar systems to produce metrics package which saves 10 hours of work a week. Complete programmatic forecasting drills on test resources and scheduling for ITT leadership upon request for presentation to the Assistant Program Manager, Test and Evaluation (APMT&E) and the CH-53K Integrated Product Team.

CH-53K DEVELOPMENTAL FLIGHT TEST COORDINATOR

February 2014 – September 2015

Jahn Corporation, 21593 Three Notch Road
Lexington Park, MD 20653

Manage Integrated Test Team's aircrew currency and proficiency for proper scheduling. Ensure all documentation required to safely and effectively test is available to the flight test engineers and pilots. Plan, coordinate, monitor and report test execution data weekly to populate NAVAIR standard metrics deck for program schedule tracking of ground and flight test activities. Coordinate with ITT Leadership to develop and refine CH-53K specific metrics with a focus to the flight test portion of the program. Publish weekly/monthly reports to leadership for efficient planning and coordination. Complete programmatic forecasting drills on test resources and scheduling for ITT leadership upon request for presentation to the Assistant Program Manager, Test and Evaluation (APMT&E) and the CH-53K Integrated Product Team.

DEVELOPMENTAL/EXPERIMENTAL TEST CREW CHIEF

February 2012 – February 2014
